Division of Responsibilities between the Chairman and Chief Executive Officer

Division of Responsibilities between the Chairman and Chief Executive Officer

The Board of Directors believes that, in the interests of maximising the effectiveness of the Board, that there should be a clear division of responsibilities between the Chairman of the Board and the Chief Executive Officer (CEO) and that these functions should not be exercised by the same individual. This policy statement adopted by the Board on 27 March 2015 defines the broad roles of the Chairman and CEO. The Chairman is responsible for leadership of the Board and individual Director effectiveness, both inside and outside the Boardroom. The CEO is responsible for running Rotork's business.
