

## ROTORK GENERAL CONDITIONS OF SALE (“GCS”)

### REPAIR AND OVERHAUL SERVICES

#### 1. Interpretation

The definitions and rules of interpretation set out in Schedule 1 apply to these GCS.

#### 2. Applicable Terms

2.1 The Contract shall comprise of the following and, in the event of conflict between any of the following, except where expressly stated otherwise in these GCS, the document mentioned first shall take priority:

- (a) any terms expressly set out (not referenced) in the Acknowledgement or any Additional Work Quotation;
- (b) subject to clause 2.2 below, those terms expressly set out (not referenced) in the Purchase Order that either describe the Work or are specific to the Work;
- (c) these GCS;
- (d) any other terms referenced in the Acknowledgement (not including the Purchase Order itself);
- (e) any other terms set out or referenced in Rotork’s quotation (provided (and to the extent that) such quotation is referenced in either the Acknowledgement or the Purchase Order); and
- (f) subject to clause 2.2 below, any other terms referenced in the Purchase Order.

2.2 Any general terms and conditions or back of order terms that are set out or referenced in the Purchase Order and are either: not specific to the Work to be supplied by Rotork; or are routinely incorporated in all (or substantially all) the Customer’s purchase orders with its suppliers, are excluded in full and will have no effect.

#### 3. On-Site Inspection and Quotation for Additional Work

3.1 Subject to clause 5.1 and unless otherwise provided for in the Acknowledgement, Rotork will carry out an On-Site Inspection on the date set out in the Acknowledgement and, following such an On-Site Inspection, will:

- (a) report the findings of the On-Site Inspection to the Customer; and
- (b) use all reasonable endeavours to complete the Work On-Site on the date of the On-Site Inspection, minimising any disruption to the Customer’s operations where practical.

3.2 If Rotork is not able to complete the Work On-Site during the date of the On-Site Inspection and/or within the Spares Contingency, Rotork will submit an Additional Work Quotation to the Customer with the following information, as applicable:

- (a) the price for any suggested or recommended Additional Work, including the price for any New Parts;
- (b) the estimated lead time for the delivery of the New Parts;
- (c) the estimated time required to carry out the Additional Work;
- (d) whether the Additional Work will be carried out On-Site or Off-Site; and
- (e) whether Rotork will provide and if appropriate, install and commission, a Loan Asset whilst the Additional Work is ongoing.

3.3 If the Customer agrees to the Additional Work Quotation (whether orally or in writing), this Contract will be automatically amended to incorporate such Additional Work.

#### 4. Off-Site Work

4.1 If Work is to be performed Off-Site:

- (a) unless otherwise agreed, the Customer will hand-over (“**Hand-over**”) the Asset(s) to Rotork On-Site on the agreed date. All risk of loss or destruction of, or damage to, an Asset passes from the Customer to Rotork on Hand-over;
- (b) Rotork will re-deliver to the Customer and, if agreed re-install each Asset On-Site (“**Hand-back**”) on the agreed date. All risk of loss or destruction of, or damage to, an Asset passes from Rotork to the Customer on Hand-back; and
- (c) if agreed, Rotork may provide to the Customer a temporary Asset on loan (the “**Loan Asset**”) at Hand-over and the Customer shall return the Loan Asset to Rotork at Hand-back. All risk of loss or destruction of, or damage to, a Loan Asset shall pass to the Customer on Hand-over and back to Rotork on Hand-back.

4.2 Unless otherwise agreed, title to:

- (a) the Asset will remain with the Customer at all times;
- (b) any Loan Asset will remain with Rotork at all times;
- (c) the New Parts shall pass to the Customer on Hand-back; and
- (d) the Parts that are removed from any Asset during the performance of the Work (whether scrap or repairable) and that will be replaced by New Parts, shall pass to Rotork on their removal from the Asset.

#### 5. Customer’s Obligations and Acceptance

5.1 The Customer shall:

- (a) provide Rotork with such information, support, materials and equipment set out in the Contract and any other information, support, materials and equipment Rotork may reasonably require in order to perform the Work;
- (b) ensure that there is an adequate power supply On-Site to test the Asset and/or Work at Hand-back (if applicable) or upon completion of the Work and ensure that the SCADA, PLC and/or DCS On-Site (if applicable) are fully operational when Rotork is to perform the Work;
- (c) prepare the site for the performance of the On-Site Work and inform Rotork, with as much notice as is practicable, of any relevant site conditions or constraints that may impact the Work;

- (d) obtain and maintain all necessary licences, permissions and consents which may be required before the date on which the Work is to start;
  - (e) provide Rotork, its employees, agents, consultants and subcontractors with safe, continuous access On-Site including but not limited to office accommodation and other facilities as reasonably required by Rotork.
  - (f) accept any Work performed by Rotork in writing no later than ten Business Days after Hand-Back or, where there is no Hand-Back, after the Work has been performed; provided that the Customer may not refuse acceptance for non-material defects. If the Customer does not accept the Work performed by Rotork in writing within a period of ten Business Days then, except to the extent legitimately refused in writing, stating the reasons for such refusal, acceptance is deemed to have taken place at 5pm on the tenth Business Day after the Work has been performed.
- 5.2 If the performance by Rotork of any of its obligations under the Contract is prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation, including but not limited to the obligations set out in clause 5.1 (the “**Customer Default**”):
- (a) Rotork shall, without limiting its other rights or remedies, have the right to suspend performance of the Work until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the performance by Rotork of any of its obligations;
  - (b) Rotork shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the failure or delay of Rotork to perform any of its obligations; and
  - (c) subject to Rotork using reasonable endeavours to mitigate any costs or losses it sustains, the Customer shall reimburse Rotork on written demand for any costs or losses sustained or incurred by Rotork arising directly or indirectly from the Customer Default, which shall include but not be limited to reasonable charges for waiting (charged on a daily basis as set out in Rotork’s quotation) for the Customer Default to be remedied.

## 6. Prices and Payment

- 6.1 The price for the Work will be as set out in the Contract.
- 6.2 Rotork will be entitled to submit invoices for the Work on or after its performance, or if cancelled in accordance with clause 10.1, on or after the date of cancellation. All invoices must be paid in full by the Customer in cleared funds within 30 days of the date of the invoice. Payment will be made to the bank account nominated in writing by Rotork.
- 6.3 If the Customer fails to make any payment due to Rotork under the Contract by the due date for payment, then the Customer will pay interest at a rate of 4% above the European Central Bank’s base rate in effect over the period of time the amount remains overdue. Such interest will accrue on a daily basis from the due date until actual payment of the overdue amount. The Customer will pay the interest together with the overdue amount.
- 6.4 All payments made by the Customer under the Contract will be made without (and free and clear of any deduction for) set-off, counterclaim abatement or withholding, provided that the Customer may set off counterclaims that are undisputed, awarded by final judgment or represent the counter performance (*Gegenleistung*) for the claimed payment (synallagmatic relationship).
- 6.5 The Customer will make all payments without any Tax Deduction, unless law requires a Tax Deduction to be made. If a Tax Deduction is required by law to be made by the Customer:
- (a) the Customer will make the minimum Tax Deduction allowed by law, and will make any payment required in connection with it within the time allowed; and
  - (b) the Customer will, if available, deliver to Rotork an official receipt or other evidence satisfactory to Rotork (acting reasonably) that the Tax Deduction has been made or, as applicable, any appropriate payment has been paid to the relevant taxing authority.
- 6.6 Unless expressly stated otherwise in the Contract, any amount payable by the Customer pursuant to the Contract is exclusive of any value added tax, use tax, goods or services tax, sales or turnover tax or any other tax of a similar nature. The Customer will, on receipt of a valid invoice from Rotork, pay to Rotork such additional amounts in respect of such taxes as are chargeable on the Work.

## 7. Warranty

- 7.1 The Customer’s statutory warranty rights apply subject to the limitations contained in this clause 7.
- 7.2 Rotork warrants to the Customer that the Work will be performed with reasonable skill and care and that any Asset repaired or replaced as part of the Work will be provided free from defects in material and workmanship.
- 7.3 If Rotork breaches clause 7.2, then Rotork will, within a reasonable time:
- (a) re-perform the relevant Work or, if it is not practicable to re-perform such Work, refund the Customer the amounts paid by the Customer in respect of such Work; and
  - (b) repair or replace (at Rotork’s option), on a free of charge basis, any Asset damaged as a result of Rotork’s breach of clause 7.2.
- 7.4 If Rotork fails to remedy any defect pursuant to clause 7.3 above, then the Customer may at its option rescind the Contract or reduce the remuneration proportionally based on the decreased use of the Work (and claim a refund accordingly). The right to remedy the defect or have it remedied by a third party at Rotork’s expense is expressly excluded.
- 7.5 The Customer’s remedy under clauses 7.3 and 7.4 is conditional on the Customer notifying Rotork of the breach of clause 7.2 within the shorter of:
- (a) 12 months of the Work in breach being accepted; or
  - (b) 21 days of the date the Customer discovered the breach (the “**Warranty Period**”).

Failure to do so will invalidate the relevant warranty claim.

- 7.6 Rotork shall not be liable for the Works' failure to comply with the warranty set out in clause 7.2 in any of the following events:
- (a) the failure arises because the Customer failed to follow Rotork's oral or written instructions in respect of the Work and/or the Asset or (if there are none) good trade practice;
  - (b) the failure arises as a result of Rotork following any drawing or design supplied by the Customer;
  - (c) a Customer Default prevented Rotork from testing the Asset and/or Work at Hand-back (if applicable) or upon completion of the Work;
  - (d) the Customer alters or repairs such Work or Asset (as applicable) without the written consent of Rotork; or
  - (e) the failure arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions.
- 7.7 Where any Asset is replaced or repaired in accordance with clause 7.3, the unexpired balance of the Warranty Period applicable to that Asset as at the date of replacement or repair will apply to the replaced or repaired Asset.
- 7.8 When the Customer makes any warranty claim, Rotork will provide the Customer with a quotation for the Work and the Customer shall pay such a price unless it is determined that the claim made under the warranty is a valid claim, in which case no price shall be payable by the Customer to Rotork for any Work performed in accordance with the warranty.

## 8. Limitation of Liability

- 8.1 In the event that Rotork is prevented from performing any obligation under this Contract because doing so would cause it to violate Trade Control Laws, Rotork shall have no liability to the Customer.
- 8.2 Subject to clause 8.7, Rotork's total liability (if any) to the Customer and the Customer's remedies in respect of claims for infringement of Third Party IPR will be limited to those remedies set out in clause 11 and, in respect of all other matters arising under or in connection with the Contract, to either the amount or the percentage of the total price of the Work to be performed under the Contract, as such amount or percentage ("**Liability Cap**") is agreed by the Parties and stated in the Acknowledgment (or if not stated in the Acknowledgement, in the Purchase Order).
- 8.3 If neither the Acknowledgement nor the Purchase Order contain a Liability Cap, the Liability Cap shall be an amount representing the total price of the Work to be performed under the Contract.
- 8.4 Subject to clause 8.7, Rotork shall under no circumstances be liable for any damages regardless of their legal grounds, if
- (a) Rotork (or any person Rotork is responsible for, including legal representatives and vicarious agents) have caused such damage due to ordinary negligence; and
  - (b) such damage does not result from a breach of an Essential Contractual Obligation by Rotork.
- 8.5 Subject to clause 8.7 if Rotork has breached an Essential Contractual Obligation, Rotork's liability shall not exceed the amount of the customary and foreseeable damages. The Parties agree that typical and foreseeable damages do not exceed the total price of the Work to be performed under the Contract and that this clause 8.5 is subject to clause 8.2.
- 8.6 Subject to clause 8.7, Rotork will not have liability for any lack of commercial success, loss of profits or for any other indirect damages.
- 8.7 Nothing in the Contract will limit or exclude Rotork's liability to the Customer for death or personal injury, for gross negligence or wilful default (by Rotork or anyone who Rotork is legally responsible for) or to the extent such limitation or exclusion is not permitted by law. To the extent any part of the Contract has such effect, the Parties agree to replace such part of the Contract with provisions modified to the extent necessary to ensure such exclusion or limitation is permissible by law, but no further.
- 8.8 Neither Party will be liable if delayed in or prevented from performing its obligations under the Contract due to a Force Majeure Event, provided that the Party promptly notifies the other Party of the Force Majeure Event and its expected duration and uses reasonable endeavours to minimise the effects of the Force Majeure Event.
- 8.9 If any Information provided by the Customer to Rotork is either incorrect, incomplete or misleading and Rotork uses such Information, the Customer will:
- (a) waive any claims it has against Rotork for any losses the Customer incurs as a result of Rotork not performing its obligations correctly due, directly or indirectly, to the incorrect, incomplete or misleading information; and
  - (b) indemnify Rotork in full against all losses, costs or liabilities Rotork incurs in connection with a Third Party claim Rotork receives, to the extent that Rotork would not have suffered such losses, expenses, costs or liabilities if the Information provided by the Customer had not been incorrect, incomplete or misleading.
- 8.10 The Customer will indemnify Rotork for all losses, costs or liabilities Rotork incurs in connection with any claim that Rotork receives from any Affiliate of the Customer in connection with the Contract.

## 9. Confidentiality

- 9.1 Subject to clause 9.2 to 9.3, each Party will hold in confidence any Information which it acquires directly or indirectly from the other Party and will protect such Information with a reasonable degree of care and at least the same degree of care used to protect its own Information and not use such Information other than for the purposes of performing or exercising its rights under the Contract it was provided under.
- 9.2 The provisions of clause 9.1 do not apply to Information which is:
- (a) already in the public domain;
  - (b) subject to an obligation to disclose under law, or is required to be disclosed by any competent regulatory authority, by notice or otherwise; or
  - (c) received, without restriction, from a Third Party who is without an obligation of non-disclosure.
- 9.3 Each Party may disclose the other Party's Information to its employees, agents, advisors, insurers, affiliates or subcontractors ("**Representatives**") for the purpose of carrying out the Party's obligations under the Contract, provided that they ensure that its Representatives' comply with the confidentiality obligations set out in this clause.

**10. Cancellation, Termination and Suspension**

- 10.1 The Customer may cancel all or any part of the Work at any time. If the Customer does cancel all or any part of the Work, Rotork shall invoice the Customer and the Customer shall pay the agreed price less the amount Rotork saves as a result of cancelling the Contract or acquires or wilfully fails to acquire from another use of Rotork's resources. Sec. 648 of the German Civil Code applies.
- 10.2 Either Party may terminate the Contract immediately on written notice to the other Party if:
- (a) it becomes unlawful in any applicable jurisdiction for either Party to perform any of its obligations under the Contract;
  - (b) the other Party suffers an Insolvency Event; or
  - (c) a Force Majeure Event stops Rotork performing its obligations under the Contract for a continuous period of one month.
- 10.3 Rotork may terminate the Contract immediately on written notice to the Customer if the Customer is in breach of any obligation to make payment under the Contract or any other contract with Rotork and such a breach continues for a period of ten days from the due date.
- 10.4 Without prejudice to any other rights and remedies which may be available to it, Rotork may terminate or suspend this Contract for any reason at its sole discretion at any time.
- 10.5 Without limiting its other rights and remedies, Rotork may suspend performance under the Contract or any other contract between the Customer and Rotork if the Customer fails (or Rotork reasonably believes the Customer is about to fail) to make a payment under the Contract by the due date. If Rotork has suspended performance and the circumstances entitling Rotork to suspend performance subsequently cease (and Rotork has not elected to terminate the Contract in accordance with its other rights and remedies), Rotork will resume performance but any time limits for such performance will be extended by the duration of the suspension.
- 10.6 Termination of the Contract, however arising, will not affect any of the Parties' rights, remedies, obligations and liabilities that have accrued as at termination.

**11. Intellectual Property Rights**

- 11.1 Subject to clause 11.2, the Customer will not acquire any title, right or interest in or to any IPR belonging to, licensed to or developed by Rotork relating to the Assets (including any New Parts) provided or Work performed under the Contract.
- 11.2 The Customer will have a non-exclusive, irrevocable, perpetual, worldwide, royalty-free licence to use any IPR in any written documentation provided to the Customer by Rotork as a deliverable in accordance with the Contract, solely for the purpose of installing, commissioning, operating and maintaining the Assets.
- 11.3 Rotork will have a non-exclusive, irrevocable, perpetual, worldwide, royalty-free licence to use any Asset configuration and performance data obtained during the provision of the Work to help improve its products and Work generally.
- 11.4 Subject to clauses 8 and 11.5, the sole liability of Rotork to the Customer in respect of any claims for infringement of a Third Party's IPR, will be to indemnify the Customer against any reasonably and properly incurred liabilities resulting from a Third Party claim that the use by the Customer of any Asset provided or Work performed by Rotork under the Contract infringes any IPR owned by such Third Party.
- 11.5 The indemnity contained in clause 11.4 will not apply for claims for infringement in respect of:
- (a) any modification to any Asset or Work which is carried out by or on behalf of the Customer, if such modification is not authorised by Rotork in writing;
  - (b) any Asset manufactured to the specific instructions of the Customer;
  - (c) losses resulting from the Customer failing to observe its obligations under any Contract; and/or
  - (d) losses that the Customer could have mitigated but did not.

**12. Export Terms**

- 12.1 The Party which is exporting, in the case of exports, or the Party which is importing, in the case of imports, will be responsible for obtaining all necessary licences, or other governmental authorisations required in connection with any export, re-export, or imports, as the case may be, under the Contract. The Parties will co-operate with each other in securing any such licenses or authorisations as may be required and each will provide such statements, certificates and assurances regarding transfer, use, disposition, end-use, source of supply, nationalities and re-export of the Assets as may be required in connection with each Party's application for any required license or governmental authorisation.
- 12.2 Any government fees or charges in connection with obtaining such licenses or authorisations will be the responsibility of the Party that is exporting, in the case of exports or re-exports, and the Party that is importing, in the case of imports.
- 12.3 The Customer undertakes not to:
- (a) offer the Assets subject to Work for resale in any country where the Customer knows the export of such Assets are prohibited by the United States, UK Government, the UN, the EU or any other governmental authority or organisation; or
  - (b) offer to sell the Assets subject to Work to any person the Customer knows or suspects will subsequently resell such Assets into a country where export of the Assets is prohibited by a relevant organisation.
- 12.4 The Customer agrees to provide Rotork with any information Rotork reasonably requires concerning the destination and use of the Assets subject to Work, to allow Rotork to comply in full with any relevant export legislation or to meet or minimise its tax obligations.

**13. Miscellaneous**

- 13.1 Rotork reserves the right to make adjustments to the Work to ensure its continued compliance with law, provided that such adjustments may not materially change the agreed specifications of the Work or the terms of the Contract to the Customer's detriment. Rotork will notify the Customer of such adjustments made.
- 13.2 Save as otherwise expressly provided in the Contract, any notice given to a Party under or in connection with the Contract will be in writing and posted to that other Party at its registered office or its principal place of business, addressed for the attention of the General Counsel or Head of Contracts.
- 13.3 The rights of each Party under the Contract may be exercised as often as needed, are cumulative and apply (except where expressly stated in the Contract) in addition to its rights under law and may be waived only in writing and specifically. Not exercising or a delay in exercising any right is not a waiver of that right.
- 13.4 Clauses 7, 8, 9, 11, 12, 13, 14, 15 and 16 (and any other provision which expressly or impliedly survives termination or expiration of the contract) will survive the expiration or termination of the Contract and will continue in full force and effect after expiration or termination.
- 13.5 Neither Party will:
- (a) offer to give or agree to give to any employee of the other Party, any gift or consideration of any kind as an inducement or reward for doing or omitting to do or for having done or omitted to do any act in relation to the obtaining or execution of the Contract; or
  - (b) commit any offence in connection with the Contract under the Ethical Legislation.
- 14. Entire Agreement**
- 14.1 The Contract constitutes the entire agreement between the Parties with respect to its subject matter.
- 14.2 Neither Party has placed any reliance on and will have no remedies in respect of any representations, agreements, statements, understandings or warranties (whether made innocently or negligently) that is not set out in the Contract whether orally or in writing, relating to the performance of the Work other than those expressly incorporated in the Contract.
- 15. Nuclear Liability and Indemnity**
- 15.1 This clause shall only apply in the event that the Assets are used on or as a component or part of a Nuclear Installation.
- 15.2 Except for where liability or damage to the property of the Customer is caused by a corporate act or omission of Rotork done with the intention to cause injury or damage, the Customer will indemnify and hold harmless Rotork, its directors, officers, employees, contractors, affiliates and suppliers in full against any liability arising out of any claim, including any Third Party claim, (regardless of the jurisdiction the claim arises or was filed in) where such claim arises out of or in connection with:
- (a) ionising radiation from a Nuclear Installation or contamination by radioactivity from any nuclear fuel or nuclear waste at a Nuclear Installation; and/or
  - (b) any precautions taken against the possibility of ionising radiation from a Nuclear Installation or contamination by radioactivity from any nuclear fuel or nuclear waste at a Nuclear Installation,
- regardless of whether the liability arises out of or in connection with damage, costs or losses occurring on or off a Nuclear Installation.
- 15.3 The Contract is not a written agreement by Rotork to incur liability within the meaning of Section 25 para. 2 of the German Atomic Energy Act.
- 15.4 The Customer will not use the Assets and shall procure that the Assets shall not be used at, or enter onto a Nuclear Installation, at any time without the prior written consent of Rotork.
- 16. Law and Jurisdiction**
- 16.1 The Contract, and any non-contractual obligations arising out of or in relation to the Contract, will be governed by and construed in accordance with the laws of the Federal Republic of Germany.
- 16.2 Any dispute, controversies or claims arising out of or in connection with the Contract ("**Dispute**"), whether arising in contract, tort, equity, for breach of statutory duty or otherwise, will be finally resolved in accordance with the Rules of the International Court of Arbitration of the International Chamber of Commerce ("**ICC**"). The seat and place of any such arbitration will be Berlin, Germany and the language of the arbitration will be German.
- 16.3 There will be one arbitrator, selected and appointed by the Parties, except where the Dispute involves an amount in excess of €5,000,000 EUR (exclusive of costs and fees), in which case three arbitrators will be appointed. Where one arbitrator is to be used, if the Parties cannot agree the identity of the arbitrator within 30 days, then the ICC will make the relevant appointment. Where three arbitrators are to be used, each Party will select one arbitrator within 30 days after giving or receiving the demand for arbitration, and the two arbitrators so selected will jointly select the third arbitrator. If the two arbitrators fail to select the third arbitrator within 30 days, then the ICC will make the relevant appointment.
- 16.4 The Parties agree that the appointed arbitrators will assign responsibility for the costs and fees of the arbitration, including administrative costs and fees and legal, witness and expert costs and fees, in light of its determination on the merits and taking into consideration the conduct of the arbitration proceedings, including the conduct of the Parties.
- 16.5 This clause 16 does not limit the right of any Party at any time to seek interim measures of protection in any appropriate courts. Such preservation of rights will not be construed as a waiver or limitation of either Party's consent to arbitration.
- 16.6 The Parties expressly agree that the United Nations Convention on Contracts for the International Sale of Products does not apply to the Contract or any transaction under it.
